

RAISING FUNDS

MICHELLE AND ANDREWS COLOUR & SHAVE OFF 2010

Both Andrew and Michelle have sisters that have been diagnosed with cancer; Andrew's sister was diagnosed with a brain tumour.

In a bid to help raise funds for research Michelle and Andrew decided it was time to take action. They have raised over \$6000.00 for SNOG by doing the unthinkable. That's right parading around with pink and shaved heads. Check out the pics.

THANK YOU SO MUCH FOR YOUR SUPPORT. 100% OF MONEY RAISED FROM THIS AND ALL FUNDRAISERS GOES DIRECTLY INTO OUR BRAIN TUMOUR RESEARCH.
